2010 Annual Meeting Survey

(113 Returned)

What can we do Better?	What Programs you would like to see?	Back Page Comments
Great Job as is. Please keep noise down	Healthcare Facilities, Emergency Systems, Fire Pumps	There was no real info for my daily job of inspecting.
I still prefer receiving a full mailing, You are doing quite well.	Generator backup installations. Hazardous location installations, Communication installations (Cert. Program), Calculations in general	Would be nice to see our local township people learn proper. 1 Permit Issue- who can or can't pull a permit. 2 What information should be on a permit.
Allow Associate members voting rights and a position on the Board of directors.	I would like to see something on swimming pools this spring or summer, especially with the bonding grid requirements.	There is several solar panels on a roof. Are we required to go on the roof and inspect each one for bonding, and connections etc?
Cut Costs, retirees not rich.	Hospitals, Hazardous Locations	Will use website more
Great Information	More Tech things	May help out on a Standing Committee
Be able to pay for meeting with a credit card.	Hazardous Locations, and Health Care	Check-out time to be noon not 11
Return here for winter only.	I really like the code panels	Great Banquet
Less noise during meeting	New Energy Code 2007 ASHRAE	I will join next payday
I missed the code panel this meeting. Post questions and answers on website.	More Plan Review and up downs on green energy as It bulb usage.	We are an inspector organization and the programs should be geared toward inspectors.
Have soda available at breakfast and breaks.	Lead Paint Certification	
Return here every December meeting	Let Paul take care of this.	Breakfasts are great. Website is great
Meeting notice on internet would be nice.	Plan Review	Postcard seems like a Cost Saver.
Less noise during meeting	Get back to basics for new inspectors. A Communication Program	Did not see the postcard for this meeting? Often use the website for "What's NEW"

What can we do Better?	Programs you would like to see.	Back Page Comments
Postcard great to save money for the chapter.	Good	Yes, I am available to be evolved in committees. I am currently chair of the audit committee and am interested in continuing in that position as well as helping on other committees.
Better Sound Acoustics	Hands on training or Demonstrations	
Liked postcard. Website well put together	Variety good at this time	
Postcard looks Great. Use the web a lot. Provide Online Registration	Code changes that affect us most. Wind Generation, Photovoltaic, Electrical storage batteries	
Control talking backroom talking is out of control	Arc Flash Trainer Certifications	
Postcard and website are great.	More Plan Review	
Cut Costs, retirees not rich.	Wind Turbines and Pools	
Postcard should have been told about it before	Fire Alarm Systems, NEC Code Article Topics	
Attract new members	Keep up with changes	
Did not like Postcard, go back to old mailing system	More on Code questions	
You do a great job	More Plan Review	
Keep up the great speaker introductions	Saturday meetings for young electricians	
	Fire Alarm, Plan Review and how it relates to NEC & NFPA Fire Alarm Requirements	
	Michigan laws that pertain to contractors, inspectors and permitting	
	Home standby generators w/automatic transfer switch	
	Primary power distribution customer owned	
	Communications	
	Generators, Fire Alarm, Critical Operations Power Systems Art. 708	
	Alternate power systems: Generator installations
